INTEREST CHARGESCrop Years Prior To 1945:

Interest does not accrue on any unpaid premiums due for any crop year prior to the 1945 crop year.

1945, 1946, & 1947 Crop Years:

Interest on any unpaid premiums for the 1945, 1946, and 1947 crop years accrues at the rate of one-half of one percent per month or fraction thereof after the maturity date of the note.

1948 & 1949 Crop Years For Three-Year Wheat Contracts:

Interest on the unpaid premium for the 1948 and 1949 crop years for the three-year wheat contracts will attach at the rate of two percent after December 31 of the crop year involved and three percent at the end of each six-month period thereafter.

1948 & 1949 Crop Years (Except Three-Year Wheat Contracts):

Interest on all 1948 and 1949 crop year premiums (except three-year wheat contracts) shall be computed as follows:

- (a) Tobacco. Three percent interest will attach on the balance not paid on or before the applicable interest date shown below and on the principal amount remaining unpaid at the end of each six-month period thereafter.

State and county	Date
Florida, Georgia, North Carolina, and South Carolina.....	December 31 following maturity
Connecticut, Kentucky, Maryland, Massachusetts, Ohio, Pennsylvania, Tennessee and Wisconsin.....	June 30 following maturity
Virginia: Halifax, Lunenburg and Pittsylvania.....	December 31 following maturity
Appomattox, Washington.....	June 30 following maturity

- (b) All Other Crops. Three percent interest will attach after December 31 of the applicable crop year and an additional three percent on the principal amount unpaid at the end of each six-month period thereafter.

1950 & 1951 Crop Years:

Three percent on the amount not paid on or before the interest date shown in the date table (on or before Feb. 28 following maturity for types 11 & 21 tobacco in Appomattox County, Virginia) and an additional one percent on the principal amount unpaid at the end of each two calendar month period thereafter.
